

EXHIBITOR RESPONSIBILITIES

Exhibitors are expected to participate in and help advance the center's recycling program. Exhibitors will be made aware of the center's recycling policies prior to move-in through promoter pre-event meetings and exhibitor information packets.

Exhibitor responsibilities include, but are not limited to:

- Place flattened corrugated cardboard in 1½ yard blue pushcarts during move-in and breakdown.
- Place recyclables in appropriate recycling containers on exhibit floors.
- Mark donation merchandise, leftover boxed literature, and other leftover materials for center staff to recover for recycling.
- Report any environmental deficiencies observed to Cedric Turnbore at green@tcfcenterdetroit.com
- Use sustainable transportation, light rails, bike share
- Use personal water bottles instead of plastic disposables
- Take signage made of foam core, vinyl or PVC plastic with you at move-out. Do not leave this material in the building.
