DETROIT, MI (15 September 2017) – The Sistine Chapel Choir from Rome, commonly recognized as "the Pope's Choir," will make its first-ever performance in Detroit on Saturday, September 23 at 7:30 p.m. at the Detroit Opera House. Their performance in Detroit will culminate the Choir's historic return to the U.S. for the first time in over 30 years, which also includes performances at St. Patrick's Cathedral in New York City and the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. The Choir will perform to a sold-out audience.

"It's a great honor to host the Sistine Chapel Choir, the Pope's choir," said Archbishop of Detroit Allen H. Vigneron. "This visit is a privileged occasion for the cooperation between the Church, the civic community, and the business community to share something beautiful for everyone in the region."

The archbishop said the choir's focus on the renaissance mirrors Detroit's own journey.

"The maestro made a point on the renaissance, and we pride ourselves on having picked ourselves up from the ashes, resurget cineribus," he said, quoting the city's motto penned by Fr. Gabriel Richard. "The concert is one more sign that this spirit moves itself into the future."

"The Sistine Chapel Choir is pleased to visit Detroit, a city that today represents a cultural touchstone for the world and the culture of the Renaissance," stated Maestro Msgr. Massimo Palombella, who leads the Sistine Chapel Choir. "We look forward to experiencing Detroit while bringing the very best of Renaissance music that will make up the production of a beautiful concert at the Detroit Opera House."

Maestro Palombella has complete access to the Vatican's music archives. He was responsible for bringing back a revival of Renaissance singing to the choir, for which the Sistine Chapel Choir was

awarded the prestigious ECHO KLASSIK Award for classical music in 2016. To view a personal message to Detroit from Sistine Chapel Choir Maestro Msgr. Massimo Palombella [click here](#).

The Sistine Chapel Choir will have the opportunity to tour and enjoy Detroit during their time in the city with planned visits to Wayne State University, Belle Isle Park, The Henry Ford, and Detroit Institute of Arts. The Choir, along with the Vision Male Ensemble from the Detroit School of Arts, will also be hosted by Comerica Bank for an evening with the Detroit Tigers at Comerica Park.

“Comerica Bank is proud to be part of this historic event as the Sistine Chapel Choir performs in Detroit for the first time,” said Michael T. Ritchie, president of Comerica Bank-Michigan. “The beauty of music brings people together; it blends cultures and creates common interests among people. We are eager for Detroit to experience the musical talents of the world right here in the Motor City.”

While in Detroit, the Choir will also provide a private community concert at Ste. Anne de Detroit Parish. Guests of this performance at the oldest parish in the archdiocese and second-oldest parish in the United States, were invited by churches, schools and non-profit organizations who serve the metro Detroit area. Sponsors making this special performance possible are Ford Motor Company, Roman Village Cucina Italiana, Ideal Group, Knights of Columbus and the Lakin, Joseph, Rugiero, Roncelli, Mastrangelo and Madison families. While the concert is fully-committed, the public will have the opportunity to see and hear the live performance on the large outdoor digital boards at Cobo Center or via LIVESTREAM at [aod.org](#) provided by the Archdiocese of Detroit beginning at 7 p.m. This special viewing at Cobo Center is sponsored by The Moroun Family, The Suburban Collection and Ford Motor Company. The Catholic Television Network of Detroit (CTND) will rebroadcast the concert in October.

“Ford Motor Company is delighted to be among the companies sponsoring this very special event, and in particular, to help make it possible for so many in our community to enjoy,” said Brad Simmons, Director, Community Outreach, Ford Motor Company. “Attracting such a world-class group to Detroit for the first time in its 1500-year history is further testimony to the progress that we continue to make together.”
